

2025 Brookwoods Golf Memberships

As you can see from the Membership rate sheet all of our Membership rates across the board will be going up in 2025. We have tried to keep prices down during the last several years but certain cost items have gone up significantly in 2025. These items include cart rental lease, fuel, equipment repair, electricity, fertilizer, and chemicals. The biggest item that has risen for us is labor costs. The minimum wage has gone from \$8.00 per hour to \$12.50 per hour. If you calculate this increase by 300 to 400 hours of labor per week this ends up being a large number for the year.

Another reason is to get all of our Members paying the same rate for the year or month. We have given discounts over the years to many groups and individuals. We are just going to make sure that all Members are being charged the same rate whether it is yearly or monthly.

In doing price comparisons with other facilities our rates are still below what others are charging. For 2025 our daily fee rates will be going up as well. We will be happy to answer all your concerns on this matter and we hope that you will continue your support of Brookwoods Golf Club in 2025.

BROOKWOODS GOLF CLUB

2025 ANNUAL MEMBERSHIP FEES AND CART PLAN SCHEDULE

Thank you for your interest in the Brookwoods Golf Club. As we have done previously, Memberships will be offered for the twelve month period beginning February 1, 2025 and ending January 31, 2026 according to the fee schedule shown below. Members are entitled to play golf without the payment of a green fee. Membership does not include play during outings or an outside golf tournament [not BGA]. We are offering the choice of paying your membership in one upfront payment or as a 12 month payment plan per schedule below. Anyone choosing the monthly option must provide and maintain on file a valid credit card including expiration date and the security code from the back of the card. This credit card will be charged the appropriate amount on the first of the month beginning on Feb. 1st, 2025. If any membership chooses to ride a cart, he/she must pay the applicable Cart Fee. For the duration of the 2025 Membership year, the cart fee will be 12.00 for nine holes and 19.00 for eighteen holes. We are also offering a Cart Plan. The payment of 1300.00 upfront or agreeing to pay \$130 per month by leaving a valid credit card on file entitles the member to ride a cart during play without any additional fees.
